## Side Force Generator E1

Left Wing D1

KFm2  
Airfoil  
F1

- = CG Line
- = Where the KFm2 Airfoil will sit

Servo will sit here

Cut out this section for the servo & wires to slot into

I have left you some options here:

1. Make a large Aileron
2. Make a Mega Aileron
3. Have Flaps and Ailerons
