Diagram illustrating the layout of a 1/8" plywood motor mount. The mount is a square plate divided into four quadrants by a horizontal and vertical centerline. Six 1/8" Dia Type holes are shown: two in the top-left quadrant, one in the top-center, and three in the bottom-right quadrant. A label "1/8" Dia Type" with an arrow points to one of the holes in the top-left quadrant. A label "1/8" plywood Motor Mount" is oriented vertically along the right edge of the plate.
